# **Heartbeat News**

FROM THE PASTOR'S DESK

Greetings in the name of Jesus Christ,

Every year hundreds of people just like you (members of United Church of Christ congregations in Wisconsin) converge upon the Green Lake Conference Center located upon beautiful Green Lake (just outside of Ripon) for a gathering that celebrates our connection as a denomination and plans for the future of ministry in our congregations, communities, and conference, as well as our participation in the national denomination. It's a weekend of singing and laughter, of meeting old friends and making new ones. There are opportunities for worship, for learning, for service, for discussing and planning the business of the church, and even some shopping. The setting is beautiful, the food is delicious, and there is an atmosphere of love and acceptance. For several years, even prior to becoming a pastor, I have looked forward to this annual event to have my spirit renewed and my mind energized to be involved and engaged in the mission and ministry of Christ as made known in our local churches and conference. This is a joy I want to share with you, our members. Each year our church is invited to send two delegates (in addition to the pastor) to represent our church. Being a delegate is an easy way to get to know and understand more about what is happening in our conference and denomination, to connect with people from other churches and share ideas. You don't have to be a delegate to attend however; all members and friends of the church are welcome. The only difference being that during business meetings only delegates are permitted to address the gathering or vote on any motions.

One of the key items coming before the gathering this year is a resolution that was brought forth at last year's meeting. A resolution to become an Immigrant Welcoming Conference was introduced at the 2016 Annual Meeting. The vote to begin a year of study on this topic passed with strong support at the meeting. The process called for at least 30% of Wisconsin Con-

WI Conference Annual

Meeting at Green Lake Conference Center

#### **Confirmation News**

The confirmation class had a great time at the Youth Faith Formation. The theme was "Journeys." Among the weekend's activities were creating and performing skits about the journeys of biblical characters such as Jonah, David, Abraham, and Jesus; learning to "orienteer" with compasses as we participated in a scavenger hunt about church history. We also explored our own spiritual journeys through such activities as walking the labyrinth, prayer stations, music, art, and more. We have three classes remaining for the year:

April 9th: Noon-3pm

April 23<sup>rd</sup> Noon-4pm May 7<sup>th</sup> Noon-3pm.

We will have three of our youth confirmed at St. John during the worship service on **May 21**<sup>st</sup>.

ference congregations to report that they have engaged in a study or have plans to engage in a study of the issue by March 1st. This threshold was met so at the annual meeting in June 2017, the vote to formally adopt the resolution will be held. Members and friends of our church are invited to join in a study of the issue on Monday evenings in the Fraederich Education Room on April 24, May 1st, May 8th, and May 15<sup>th</sup>. We will meet beginning at 5:30. Each session is expected to last approximately an hour. The study guide we will be using is "Becoming Welcoming Communities: Immigration in Light of Biblical Faith" which was published by the Wisconsin Council of Churches (an ecumenical community of 13 denominations representing 2,000 congregations and over one million church members in the state of Wisconsin). Becoming Welcoming Communities is designed to help congregations respond to immigrants and immigration in light of Biblical faith. The study weaves together Wisconsin history, Bible passages, personal stories and information on immigration policies in order to allow participants to explore who they are as people of faith and how we reflect God's grace and justice for everyone.

I hope each of you will consider these two opportunities to join with me and others in the faith community digging deeper into our faith story and reaching outfurther to share the Gospel with others. If you are interested in attending the conference meeting or would like more information regarding either of these opportunities, please reach out to me—I look forward to speaking with you soon! Grace and Peace,

Pastor Tara

#### **EDUCATIONAL & SMALL GROUP OPPORTUNITIES**

#### MONDAY MORNING BIBLE STUDY

April 3rd-"Saturday" in The Last Week; April 10th-"Easter Sunday" in The Last Week. We will be on Break April 10th and 17th resuming April 24th with a short series of "Theological Dilemmas", from the book Twelve Theological Dilemmas by Gregory C. Higgins. An excerpt from the preface: "Oten in theological discussions there is more than one consistent, reasonable position. Students examining such exchanges must therefore weigh the relative strengths and weaknesses of each position before choosing one from among the various possibilities. The final determination of what one takes to be the right theological position will depend a great deal upon what that person values theologically." The text we will be reading offers an opportunity for participants to work through several theological dilemmas so that they can identify and scrutinize their own theological preferences. The book was developed by Higgins based on his work teaching theology to high school students and is meant to be accessible for high school seniors, college freshmen, and adults. If interested please contact Pastor Tara by April 10<sup>th</sup> to receive a copy of the readings.

#### MORAL MONDAYS

Through a combination of videos, articles, Bible Study and conversation we explore how these important issues affect our lives and how we can respond as people of faith living out the call to be disciples of Christ. A large component of the group is learning to share stories of our own experiences, to hear the stories of others, and seek to find ways to respectfully and meaningfully talk with others even when we may not agree. We meet weekly on Mondays, 5:30-7:00pm in the Education Room at St. John UCC. We are currently working through the UCC curriculum "White Privilege Let's Talk; A Resource for Transformational Dialogue" on April 3rd. Taking a break April 10th & 17th. On April 24th we resume with a study on immigration.
